ALUMINUM MAGIC

Acid Replacement Aluminum cleaner

BENEFITS

- No acids – Phosphoric, Sulphuric, Hydrofloric, etc.
- Safe Acid replacement technology – based on urea salt
- Non corrosive to skin or equipment
- Fast acting
- Brightens aluminum like new, regardless of age, staining or oxidation
- No odour and No fumes

GENERAL INFORMATION

- Do not use on extremely hot surfaces, cool with cold water spray first
- Spray onto pre wetted surface and let stand until it foams
- Rinse off

Use on trucks, trailers, aluminum and pontoon boats. Also works well as a coil cleaner and on any other aluminum surface.
