

## ASPHALT RELEASE (AQUA)

### BENEFITS

- Biodegradable
- WHMIS / OSHA Non Controlled
- Works on trucks, pavers, rollers, tools, spreader bars, belts and conveyors
- Dilutable with water and therefore more economical
- Saves clean-up time
- Based on a naturally devised soap based chemistry

### GENERAL INFORMATION

- Asphalt and concrete release agent is very easy to use – simply dilute with water – dilute between 1:4 to 1:6 with water
- Spray equipment thoroughly with solution
- Agitate solution before and several times during use
- For optimum performance equipment should be treated before each use
- Keep from freezing

### TECHNICAL DATA

Odour:	Slight
pH:	10.5 – 11.0
Solubility in water:	Soluble
Solubility in mineral spirits:	Insoluble
Flash Point:	None
Storage (at 21°C/70°F):	1 year

### Asphalt Release is available in these sizes:

Part # 88020	20 L pail
Part # 88045	205 L drum
