BIOSOLVE – Label and Adhesive Remover

TECHNICAL DATA SHEET

BENEFITS

- Very effective solvent for removing tar, adhesives, tape residues, grease, oils and dirt
- Base on citrus oils and does not contain chlorinated compounds

GENERAL INFORMATION

Heavy duty cleaner / degreaser that works effectively on difficult to remove substances such as many dried, non curing adhesives, tape residues.

Suitable for removing even the most stubborn labels, grease, tar and inks.

APPLICATIONS

Thoroughly coat surface to be cleaned with Biosolve. Wait a few minutes for complete penetration and loosening action. Wipe thoroughly with a clean cloth (if desired, wipe with a damp cloth). When removing adhesives in some cases it may be necessary to repeat the application.
