- Cleans without water
- Leaves hands smooth and non sticky
- Effective yet very gentle on hands
- Contains biodegradable surfactants
- Natural base hand cleaner

GENERAL INFORMATION

LX 4Hands is made with the natural cleaning oils formed in oranges. Leaves hands clean and soft without harsh desensitization. LX 4Hands takes on industrial and automotive grime, inks, resins, paints, adhesives, carbon and grease. A natural citrus formulation with skin conditioning emollients and natural surfactants for hands. Also equally suitable for light and medium industry or institutional applications requiring frequent use. Available with or without plastic scrubbers. Plastic scrubbers give gentle microscopic scrubbing action with no sharp edges to wear away or cut skin cells.
