## NANOCLEAN TRUCK WASH – Industrial Strength

TECHNICAL DATA SHEET

### BENEFITS

- High Foaming
- Effective and Very Economical
- Cleans All Vehicle Surfaces
- Free Rinsing
- Brush or Brushless Systems
- Biodegradable
- High Alkalinity Equals High Dilutions
- Oil Separating Properties

### GENERAL INFORMATION

Nanoclean Truck Wash is a super-concentrated, premium grade vehicle wash designed for brushless wash systems and fleet pressure wash operations. It contains all synthetic detergents and foam boosters that remain effective even at high dilution rates. May also be used with tunnel wash or manual wash systems. This product contains no butyls or solvents. Ideal for Aeronautical, Automotive Dealerships, Carwash Facilities, Construction Equipment, Detail Facilities, Farming Equipment, Fleet Operations, Highway Maintenance, Rail, Shipping and Waste Management.

### APPLICATION

1. Brush or Brushless Tunnel Washing systems. Dilute 128:1 to 200:1. For maximum results, dilute and apply product with water heated between 49°C – 60°C (120°F – 140°F). Will work in cold water. Recommended minimum dilution is 128:1. Dilute product and operate machinery according to the manufacturer’s directions for use.
2. Pressure Wash Cleaning. Dilute 128:1. For maximum results, dilute and apply product with water heated between 49°C - 60°C (120°F - 140°F). Will work with cold water. Dilute product, apply by spraying onto surface, allow 3 minutes contact time, brush if necessary, and high-pressure rinse clean, (a high-pressure/hot water spray is preferred but will work with cold water. Apply product working from the bottom upward to avoid streaking.
3. Manual Washing (Not recommended for hand washing). Dilute 128:1. Dilute product, apply to surface with brush or mop. Allow 3 minutes contact time, brush soiled areas, high-pressure rinse clean with water.

### TECHNICAL DATA

Appearance:	Amber
Odour:	Cherry
pH	12 – 13
Flashpoint:	None
% VOC:	<5%

### General Cautions for Use:

As with all cleaning agents, keep this product out of the reach of children.

As with most cleaning agents this product should not be allowed to dry on surfaces

Dilutions are recommendations only, as you become familiar with the product’s performance adjust accordingly.

### Nanoclean Truck Wash is available in these sizes:

Part # 77220	20 L pail
Part # 77245	205 L drum

Proudly  Canadian
