Sanitary Lubricating Spray

TECHNICAL DATA SHEET

BENEFITS

- Highly refined USP White mineral oil
- Odourless and tasteless
- Health Canada CFIA listed
- 360° valve. Product can be sprayed from any position even upside down
- Silicone free. Easier clean up and removal of excess oil
- High flash point

GENERAL INFORMATION

Lloyds' Sanitary Lubricating Spray is an effective and efficient general purpose, non silicone lubricant for use on all food processing equipment. The highly refined white oil is colourless, odourless and tasteless. Meets FDA and Health Canada Standards. This product can also be used as a penetrating oil to loosen rust, scale and corrosion around fasteners and hose fittings on food processing equipment.

APPLICATIONS

Recommended for use on all food processing equipment directly exposed to food products including scales, fans, carts, galleys, bottlers, chutes, conveyors, racks, ovens, stoves, fillers, mixers, freezers, rails and cooking appliances.
