

MATERIAL SAFETY DATA SHEET

Lloyds Laboratories Inc.

Kleens-It Brake Parts Cleaner Non Flammable Part # 52304, 52320, 52345

SECTION 1: PRODUCT AND COMPANY IDENTIFICATION

PRODUCT NAME: Kleens-It Non flammable Brake Parts Cleaner. **PRODUCT USE:** Brake parts cleaner.

MANUFACTURER: Lloyds Laboratories Inc. **SUPPLIER:** Lloyds Laboratories Inc.

ADDRESS: 613 Neal Drive, Peterborough, Ontario, K9J 6X7 **ADDRESS:** 613 Neal Drive, Peterborough, Ontario, K9J 6X7

EMERGENCY #: 1 800 361-6766 **EMERGENCY #:** 1 800 361-6766

SECTION II: INFORMATION ON INGREDIENTS

Ingredients	CAS#	Wt%	OSHA-TWA	ACGIH-TWA	LD ₅₀
Stabilized Perchloroethylene	127-18-4	7-13	1800 mg/m3	4508 mg/m3	Not available

SECTION III: HAZARDOUS IDENTIFICATION

Route of Entry: Eye, skin contact, ingestion.

Potential Health Effects:

Eye Contact: May cause pain disproportionate to the level of irritation to the eye tissue. Low vapour concentrations may cause eye irritation.

Skin Contact: Brief contact may cause skin irritation with local redness. Repeated and prolonged contact may cause burns. May cause drying and flaking of skin.

Inhalation: In confined or poorly ventilated conditions vapour can readily accumulate and cause unconsciousness and death in severe cases. Dizziness may occur at 200 ppm and progressive higher levels nausea, drunkenness and over 1000 ppm unconsciousness and death. A single brief (minutes) inhalation exposure to levels above 6000 ppm perchlorethylene may be fatal immediately. Alcohol consumed before or after exposure may increase adverse effects.

Ingestion: Very low toxicity if swallowed. Small amounts swallowed incidentally as a result of normal handling operations are not likely to cause injury. Swallowing larger amounts may cause injury. Aspiration into the lungs may occur during ingestion or vomiting, resulting in rapid absorption and injury to other body systems.

Chronic Effects:

Carcinogenicity: Lab studies have shown the incidence of tumors in certain strains of mice and rats. Other long term inhalation studies in rats failed to show tumorigenic response. Human data are limited and have not established an association between perchloroethylene exposure and cancer. Perchloroethylene is not believed to pose a measurable carcinogenic risk to man when handled as recommended.

Teratogenicity, Mutagenicity, Reproductive Effects: The ingredients in this product were found to be mutagenic. In laboratory studies effects on reproduction have been seen only at levels that would be toxic to the mother.

MATERIAL SAFETY DATA SHEET

Lloyds Laboratories Inc.

Kleens-It Brake Parts Cleaner Non Flammable

Part # 52304, 52320, 52345

Skin: Repeated or prolonged exposures to dilutions can cause drying, defatting and dermatitis.

SECTION IV: FIRST AID MEASURES

Eye Contact: Immediately flush with water for 15 minutes. Holding eyelids open during flushing. If irritation persists, repeat flushing and obtain medical attention immediately.

Skin Contact: Flush with water. Remove contaminated clothing and launder before reuse.

Inhalation: Move victim to fresh air. If conscious, have victim take deep, slow breaths. Seek medical attention if symptoms persist.

Ingestion: DO NOT INDUCE VOMITING. Rinse mouth with water, then drink one glass of water. Seek medical attention. Do not give anything to victim if unconscious or convulsing. Note to physician: because of rapid adsorption may occur through the lungs if aspirated and cause systemic effects. If lavage is performed, suggest endotracheal and/or esophageal control.

SECTION V: FIRE FIGHTING MEASURES

Flammability: Not flammable.

Flash Point Deg (C,TCC):

Means of Extinction: Use water spray to keep fire exposed containers cool. Dry chemicals, carbon dioxide. Fight fire from protected location or maximum possible distance.

Special Fire Hazards: Fire fighters should wear self contained breathing apparatus as for surrounding fire.

Autoignition Temperature: Not applicable.

Flame Projection: Not flammable.

Sensitivity to Static Discharge: Not applicable.

Unusual Fire and Explosion Hazards:

Hazardous Decomposition Products: Oxides of carbon, oxides of nitrogen.

SECTION VI: ACCIDENTAL RELEASE MEASURES

Leak and Spill Procedures: Before attempting clean up, refer to the hazard data provided above. Small spills may be absorbed with non reactive absorbent and placed in suitable, covered, labeled container. For large quantities, dispose of in accordance with local, provincial/ state or federal regulations. For large spills prevent from entering sewers and waterways. For large spills provide diking to prevent spreading. Dispose of by licensed waste disposal company. Material will sink in water.

SECTION VII: HANDLING AND STORAGE

Storage Requirements: KEEP OUT OF REACH OF CHILDREN.

MATERIAL SAFETY DATA SHEET

Lloyds Laboratories Inc.

Kleens-It Brake Parts Cleaner Non Flammable Part # 52304, 52320, 52345

Store in a dry, cool and well ventilated area. Protect from freezing.

SECTION VIII: EXPOSURE CONTROL/PERSONAL PROTECTION

Gloves: Use Viton or Nitrile gloves.

Eye Protection: If eye contact is possible chemical splash goggles are recommended.

Respiratory Protection: Not normally required if good ventilation is maintained and below the exposure guidelines. In confined or poorly ventilated areas use an approved self contained breathing apparatus.

Other Protective Equipment: As required by employer code. Eye bath, safety shower, protective clothing.

Engineering Controls: General ventilation normally required to maintain airborne levels below the exposure guidelines. Lethal concentrations may exist in areas with poor ventilation.

SECTION IX: PHYSICAL AND CHEMICAL PROPERTIES

Boiling Point (deg C):	N.Av.	Specific Gravity (H₂O = 1):	Not av	Evaporation Rate (water=1):	Non volatile
% Volatile (Wt%):	100 %	Solubility in water:	Insoluble	pH (as supplied):	Not applicable
Physical State:	Liquid	Viscosity:	Like water		
Appearance / Odour:	Clear liquid with solvent odour				

SECTION X: STABILITY AND REACTIVITY

Conditions for Chemical Instability: Stable under normal conditions. Excessive heat or contamination could cause decomposition.

Incompatible Materials: Reducing agents, strong acids, strong caustics, iron and other metals.

Hazardous Decomposition Products: Oxides of carbon, Oxides of Nitrogen when heated.

SECTION XI: TOXICOLOGICAL INFORMATION

LD 50 values for individual components see section II.
Skin Sensitization (OECD Sec. 406) Non sensitizing.

SECTION XII: ECOLOGICAL INFORMATION

Not available.

MATERIAL SAFETY DATA SHEET

Lloyds Laboratories Inc.

Kleens-It Brake Parts Cleaner Non Flammable Part # 52304, 52320, 52345

SECTION XIII: DISPOSAL CONSIDERATIONS

Dispose of in accordance to all local, provincial/state and federal regulations.
DO NOT dump into sewers, on the ground or any body of water.

SECTION XIV: TRANSPORTATION

T.D.G. Classification:

D.O.T. Classification: Please refer to Bill of lading for up to date shipping information.

SECTION XV: REGULATORY INFORMATION

Occupational Health and Safety

Regulations:

WHMIS Class:

Class D1B Poisonous substance, D2A.

OSHA & WHMIS:

MSDS prepared pursuant to the Hazard Communication Standard (CFR29.1920.1200) and Canadian WHMIS regulations.

Environmental Regulatory Lists:

SARA – Section 313 (Toxic Chemical

Release Reporting) 40 CFR 372:

CERCLA – Section 102 (Reportable

Quantity) 40 CFR 302:

RCRA 40 CFR 261 (Subpart D):

CLEAN WATER ACT – Section 311

(Reportable Qty) 40 CFR 116:

CLEAN AIR ACT – Section 312 (List of

Hazardous Pollutants) 40 CFR 63

(Subpart C):

Perchloroethylene.

National Pollutant Release Inventory:

Perchloroethylene.

Toxic Substances Control Act (TSCA):

All ingredients are registered on the Chemical Substances Inventory.

Canadian Domestic Substance List

All ingredients are registered on the DSL.

(DSL):

SECTION XVI: OTHER INFORMATION
